Abstract submission

IMPORTANT INFORMATION:

- Each registered attendee can present up to two contributions;
- Any contribution not associated to a registration will be excluded from the final programme of the event;
- Each presentation (and the related abstract) should be associated to only one registered attendee. So, if you are a co-author of a contribution that is already (or is planned to be) associated to another person (co-author), please do NOT submit any abstract here.

You are submitting your first abstract

Title:
Format: all words MUST be in lower case (except for the first word)
- Try to avoid acronyms, if possible, for non-expert readers.
Example: 'This title has a correct format'
